United States Attorney Joe Stecher and the Lincoln Police Department, Lancaster County Sheriff's Department, and University of Nebraska-Lincoln Police Department announce the following information for the attention of the media:

Event Triggering this Release: On January 23, 2009, a Lincoln man was sentenced to five years and ten months, (70 months), in prison for conspiracy to distribute methamphetamine. Information provided to law enforcement indicated that Scott Binnick was involved in the distribution of at least 500 grams (approximately 18 ounces) of methamphetamine in the Lincoln area between April of 2004 and June of 2005. Small amounts of methamphetamine were found by Lincoln Police officers in Binnick's car and on his person on two occasions during that time period.

Binnick originally faced a prison sentence of at least ten years, but he qualified for a sentence below the ten-year statutory minimum due to his lack of a significant prior criminal history and the fact that he provided information to law enforcement about his involvement in this offense. Following the prison term, Binnick will serve five years on supervised release. He was also ordered to pay a \$100 special assessment.
